Talk It Out

On October 27th, 2018, the executives of CFUW Clubs in Ontario Central met in Toronto for a *Talk It Out* workshop.

We were fortunate to have CFUW President Grace Hollett as a guest. Grace brought greetings from the CFUW Board and her home club, CFUW St John's.

In her remarks Grace spoke of CFUW's hundredth anniversary and the 2019 AGM in Winnipeg. She mentioned how apt it is that we are having this year's AGM in Winnipeg as CFUW Winnipeg was one of our four founding clubs.

Also, National will be initiating a Hundredth Anniversary Membership Recruitment Campaign. In addition they have struck a Revenue Generating Committee to explore additional sources of revenue.

As to GWI, we now have a Negotiating Committee consisting of five members of the National Executive chaired by Joy Hurst, VP International. The committee's purpose is to renegotiate the GWI dues format and payment terms, identify areas of mutual benefit and opportunities for collaboration and partnership and to identify and address areas of the CFUW GWI partnership that cause concern to one or both parties..

Following Grace's opening remarks, members broke into three groups to discuss issues of mutual interest related to the positions of President and Vice President, Treasurer, and Programs and Membership.
