PRESIDENT'S MESSAGE

CATHERINE R.

Cooler days and nights but still a beautiful time of year. A good time for walks and country drives.

With Thanksgiving approaching, we certainly have a lot to be grateful for living in Canada. There is so much going on in the world around us.

We had our first meeting of the year. Attendance was a little low but we had several guests. The speaker was engaging and the information about lavender was interesting.

Thanks to those who brought hygiene products for the three young Afghani women that I have been helping. They appreciated the donations. The Club has agreed to provide some future support.

The first Speaker Series is on Zoom on October 15th. All are welcome to join in. You can register at [Speakers Series & Standing Committees' Workshops 2022-2023 | CFUW Ontario Council \(cfuwontcouncil.org\)](https://cfuwontcouncil.org). There are four speakers: Benefits of Yoga, Programs at Windreach Farm,

Black York Region Youth- an agency that fights racism, and a panel of young people who will speak on the impact of identifying as LGBTQIA2S.

Although we don't want to think about winter, we do need at least two people to plan the Holiday Dinner. It is easiest to book at a restaurant with a private room and a set menu like at KB in Whitby last year. Then the organizers just have to book the group reservation and each person pays their own that night. It was suggested that maybe we want to have it at the end of November when life is less busy and the weather may be better.

Quote of the Month

“The people who are crazy enough to think they can change the world are the ones that do.” Steve Jobs

Community Support- Catherine R. Our Club has been asked to provide support to three young Afghan women who fled the Taliban and have settled in Oshawa. The Oshawa Cycling Club is providing some support. Wondering if the Club would be willing to provide some help and support – financial or otherwise. Noted that some supplies had been provided tonight. Discussion followed regarding our club's GWI opt-out refund of \$890.00 and whether or not it could be used to support the three young women. Barbara L. moved, seconded by Sheila L., that we use the GWI opt-out refund to donate an amount of \$200.00 to each of the three women. The motion carried with 1 opposed. However, it was agreed that the matter be tabled for further discussion as to when and how the money would be given and for what purpose. This will depend on what the women most need.
